Annexure 3.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

As required by Section 102(1) of the Companies Act, 2013 (the Act), the following Explanatory Statement sets out the material facts relating to the Special Business for Item Nos. 4 TO 8:

ITEM NOS 4: TO APPROVE THE RELATED PARTY TRANSACTIONS UNDER SECTION 188 OF THE COMPANIES ACT, 2013 WITH M/S AGARWAL TOUGHENED GLASS INDIA LIMITED (FORMERLY KNOWN AS AGARWAL TOUGHENED GLASS INDIA PRIVATE LIMITED).

As per Section 188 of the Companies Act, 2013 (“the Act”), transactions with related parties which are on arm’s length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of the members.

However, as per the provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (“SEBI Listing Regulations”), as amended vide SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, all related party transactions (RPTs) with an aggregate value exceeding Rs. 1,000 Crore or 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, shall require prior approval of shareholders. The said limits are applicable, even if the transactions are in the ordinary course of business of the Company and on an arm’s length basis. As per the amended Regulation 2(1) (zc) of the SEBI Listing Regulations, RPTs now include a transaction involving transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Agarwal Toughened Glass India Limited (Formerly known as Agarwal Toughened Glass India Private Limited) (ATGIL) deals into manufacturing (procurement of raw material and processing) of all types of laminated and safety glass, toughened, fibre glass, glass door fittings and all kinds of glass articles. ATGIPL, being a manufacturer of all types of industrial glasses, your Company will be able to take advantage of the large volumes at a reasonable price.

Transaction with ATGIL includes sale/purchase or supply of any goods or materials, procurement of raw material related to glasses and availing or rendering of any service related to glass.

The value of proposed aggregate transactions with ATGIPL is likely to exceed the said threshold limit, and is expected to be around **Rs. 15 Crore (Rupees Fifteen Crore only)**, in one or more tranches during the financial year 2024-25.

The Audit Committee, after reviewing all necessary information, granted approval in the meeting of the committee members of Audit Committee dated 12.08.2024, for entering into the RPTs subject to the conditions that the same will be on an arm's length basis and in the ordinary course of business as per the policy on related party transactions of the Company.

Accordingly, transaction(s) entered into with the above parties comes within the meaning of Related Party transaction(s) in terms of provisions of the Act, applicable Rules framed thereunder. Hence, approval of the shareholders is being sought for the said Related Party Transaction(s) proposed to be entered into by your Company in the financial year 2024-25.

The said limits are applicable, even if the transactions are in the ordinary course of business of the Company and on an arm’s length basis. As per the amended Regulation 2(1)(zc) of the SEBI Listing Regulations, RPTs now include a transaction involving transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

In order to carry out day-to-day operations and to ensure stability of supply in terms of quality and other conditions, your Company intends to enter into transactions with M/S Hardik Glasses for transactions specified under section 188(1)(a) to (g) respectively.

Hardik Glasses is the wholesaler/dealer of all types of Industrial Glasses, your Company is able to take advantage of available raw material at reasonable rates. Transaction with M/S Hardik Glasses includes sale/purchase or supply of any goods or materials, procurement of raw material related to glasses and availing or rendering of any service relating to glass.

The value of proposed aggregate transactions with Hardik glasses is likely to exceed the said threshold limit, and is expected to be around **Rs. 6 Crore (Rupees Six Crore only)**, each for the financial year 2024-25 in one or more tranches.

The Audit Committee, after reviewing all necessary information, granted approval in the meeting of the committee members of Audit Committee dated 12.08.2024, for entering into the RPTs subject to the conditions that the same will be on an arm's length basis and in the ordinary course of business as per the policy on related party transactions of the Company.

Accordingly, transaction(s) entered into with the above parties comes within the meaning of Related Party transaction(s) in terms of provisions of the Act, applicable Rules framed thereunder. Hence, approval of the shareholders is being sought for the said Related Party Transaction(s) proposed to be entered into by your Company in the financial year 2024-25.

As per the SEBI circular number SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021, and pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date, the information to be provided to the members for consideration of transactions with Hardik Glasses are as follows:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Pursuant to SEBI (LODR) Regulations, 2015, your Directors have the pleasure in presenting the Management Discussion and Analysis Report for the year ended on March 31, 2024.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian glass market was worth about USD 2.7 billion during 2011-12. The per capita glass consumption was 1.2kg compared with 8–9 kg in developed countries and 30–35 kg in USA. During the same period the flat glass market was 4500 tpd (tonnes per day) and was growing at 16%. The market for container glass was about 7000 tpd which has a share of 55-60% of overall market share in the country.

The Indian glass industry has been growing across all segments. Sheet and float glass have recorded the fastest growth, at nearly 67 per cent CAGR (Compound Annual Growth Rate) between 2001 and 2005. Other glassware such as bottles and fibre glass has recorded more modest growth rates of about 5-6 per cent CAGR, over the same period.

It is expected that in future, glass consumption will grow in construction, automotive, consumer goods and pharmaceutical sectors.

Outlook:

Various forecasts have estimated a sharp de-growth in the Indian economy for the current financial year, the first such instance of de-growth in decades.

India's economic structure and growth make it an attractive market for any business opportunities that can cater to the growing needs of both the Company as well as the stakeholders of the Company.

The liquidity in the banking system, which was impacted after the NBFC fallout, is likely to see gradual improvement.

In spite of challenges faced, the silver lining for India and some other emerging markets in specific is the aftermath of the pandemic has brought to the fore a seemingly structural shift in the desire of several countries and companies wanting to potentially move manufacturing facilities out of China. This could lead to a 'once in a two decade' opportunity for a country like ours to create a virtuous cycle for manufacturing, job growth, self-reliance and hence consumption for the long term. In fact, we are already starting to see 'winds of change' with these companies starting to consider India as their potential manufacturing destination. This will provide substantial impetus to the Government's vision of 'Make in India'.

INDEPENDENT AUDITOR'S REPORT

To the Members of Agarwal Fortune India Limited (Formerly known as Devki Leasing and Finance Limited)

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **Agarwal Fortune India Limited** (Formerly known as Devki Leasing and Finance Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Cash Flow Statement for the year ended on that date and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the Financial Statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the *Code of ethics* issued by the Institute of Chartered accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. On the facts and circumstances of the Company and the audit, we determine that there are no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Business Responsibility Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements, as a whole, are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercised professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

Annexure - "B" to the Auditors' Report (Refer to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Agarwal Fortune India Limited (Formerly known as Devki Leasing and Finance Limited)** ("the Company") as at March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

NOTE 1: Accounting Policies

Corporate Information

AGARWAL FORTUNE INDIA LIMITED (Formerly known as Devki Leasing and Finance Limited) ('the Company') is a Public Limited Company, incorporated on 15.02.1993 under the provision of the Companies Act, 1956 with its Registered Office at Jaipur and is listed on the Bombay Stock Exchange Limited (BSE). The Company is engaged inter-alia, in the business of trading in various types of Glasses and Mirrors, providing technical consultancy services and advisory services and other allied activities relating to industrial glasses and other categories.

Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its Financial Statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Financial Statements.

a. Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

b. (1)Basis for Preparation & Presentation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values. The Assets and Liabilities have been classified as Current/Non- Current as per the Company's normal operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non- Current classification of Assets and Liabilities. The statement of Cash Flows has been prepared under indirect method.

All amounts disclosed in the Financial Statements and accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

(2)Use of Estimates and Critical Accounting Judgements

The preparation of Financial Statements is in conformity with Generally Accepted Accounting Principles which requires management to make estimates and assumptions. The estimates and the associated assumptions

are based on historical experience, opinions of experts and other factors that are considered to be relevant.

c. Property, Plant and Equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred. An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

from continued use of asset.

Depreciation Method and Estimated Useful Life

Depreciation is calculated using the straight-line method on a pro-rata basis from the date on which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives. The estimated useful lives are those prescribed under Schedule II to the Companies Act, 2013.

d. Intangible Assets and Amortisation

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortisation and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

e. Impairment

Tangible and Intangible Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f. Leases

Company as a lessor:

The Company classifies the leases as either a finance lease or an operating lease depending on whether the risks and rewards incidental to ownership of an underlying asset are transferred and recognises finance income over the lease term.

Company as a lessee:

In accordance with Ind AS-116, the Company assesses whether a contract contains a lease, at inception of a contract. At the date of commencement of the lease, the Company recognises a "Right Of Use" asset and a corresponding liability for all lease arrangements in which it is the lessee, except for leases with a term of twelve months or less (short term leases) and low value leases. For these short term and low value leases, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease. The right of use assets are amortised using the straight line method from the commencement date over the shorter of lease term or useful life of right to use asset. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable using the incremental borrowing rates. Lease Liabilities are re measured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or termination option.

g. Financial Instruments

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument or Financial Liabilities. Purchase and sale of Financial Assets are recognised using trade date accounting.

Financial Assets

Financial Assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. which are classified for measurement at amortised cost. Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of Financial Assets depends on such classification.

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

Impairment: The Company assesses at each reporting date whether a Financial Asset (or a group of Financial Assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognised if the credit quality of the Financial Asset has deteriorated significantly since initial recognition.

Income Recognition: Interest income is recognised in the Statement of Profit and Loss using the effective interest method.

Financial Liabilities:

Borrowings, Trade Payables and other Financial Liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-Recognition:

Financial Liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

h. Inventories

Inventories are valued at lower of cost and net realisable value except waste which is valued at estimated realisable value as certified by the management.

i. Revenue

Revenue is recognised when the performance obligation is satisfied by transferring promised goods or services (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government.

j. Foreign Currency Transactions

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The Standalone Ind AS Financial Statements are presented in Indian Rupee (INR) which is Company's functional and presentation currency.

k. Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, cheques/drafts in hand, demand deposits with banks, short term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Book overdrafts are shown within Other Financial Liabilities in the Balance Sheet and form part of Cash and Cash Equivalents in the Cash Flow Statement.

l. Income Tax

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of Profit and Loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The Company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date. Current tax

AGARWAL FORTUNE INDIA LIMITED

(Formerly known as Devki Leasing and Finance Limited)

assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority. The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax arising from temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised, based on tax rates that have been enacted or substantively enacted by the reporting date.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity. In this case the tax is also recognised in Other Comprehensive Income or directly in equity respectively.

m. Retirement Benefits:

Currently there is no employee in the company who has been working for more than 5 years in continuous service, hence there is no provision required for gratuity.

n. Earnings Per Share

Basic earnings per Share is calculated by dividing the profit for the period attributable to the owners of Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the Company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

o. Exceptional Items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the Company for the year, the Company makes a disclosure of the nature and amount of such items separately under the head "Exceptional Items."

p. Segment Reporting

This clause is not applicable to the company.

Financial risk management objectives and policies

In its ordinary operations, the companies activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or value of it's holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Interest rate risk

Interest rate risk is the risk the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates.
